Business plans being received for reopening. Not sure if small businesses, ie salons, etc, need to create a plan. There are no dates for re-opening. Some softening is happening. Elective surgeries, etc. Looking at construction and manufacturing, mainly.

Governor does not want large amounts of people coming into our communities. Some events, in Chaut County, are cancelled up and through Sept. If we have the celebration, maybe people will not show???

Chaut Fair, as of today, is still a go, but..... NYS fair may not be held.
